Journalism, Publishing and Media Internship
The Intern Group
MELBOURNE,
VICTORIA
3000

Dear Hiring Manager,

I am writing to express my enthusiastic interest in the Journalism, Publishing and Media Internship at The Intern group as advertised on the Intern Group Website. I am currently in my final year of pursuing a degree in Bachelor of Arts, Creative Writing at RMIT University. I have honed my skills in fiction and poetry, and I am eager to bring my passion and expertise to your esteemed organization.

Throughout my academic journey, I have dedicated myself to exploring the depths of human experience through the written word. My coursework has provided me with a strong foundation in narrative structure, character development, and thematic exploration. I have had the privilege of studying under accomplished authors and poets, whose mentorship has been instrumental in shaping my voice and style.

In addition to fiction, I have a deep love for poetry, where I find freedom in brevity and the power to evoke emotions through imagery and rhythm.

I am particularly drawn to The Intern Group because of the aims to provide meaningful international internship experiences that help individuals develop both personally and professionally. I am impressed by how the company emphasises the importance of cultural awareness and sensitivity by immersing interns in new environments, thereby enhancing their global understanding and perspectives. And I am excited about the opportunity to contribute to such innovative and impactful company.

Beyond my writing skills, I am a dedicated and collaborative team player. I have experience working in editorial teams, where I have developed strong skills in constructive feedback, revision processes, and meeting deadlines. I am adept at balancing creativity with structure, ensuring that every piece I work on is both imaginative and polished.

I am thrilled at the prospect of joining The Intern Group and contributing to your tradition of excellence in the field required of me. Thank you for considering my application. I look forward to the opportunity to discuss how my background, skills, and enthusiasms align with the goals of your team.

Warmest regards,

Shane Dela Rosa
